PREPARING THE AI-READY FORCE

SEE IT
Recognize AI
capabilities, risks,
and applications

USE IT
Employ AI tools in
operational and
educational contexts

INTEGRATE IT
Weave AI into
decision-making,
planning, and missions

COMMAND IT
Lead teams and
drive innovation
with AI

FIND YOUR PATH
How Do I Get Involved?

LEARN

RESEARCH

EDUCATE

OPERATIONALIZE

As a student: develop AI literacy and competency

As a researcher: push boundaries of knowledge

As an educator: integrate AI into instruction
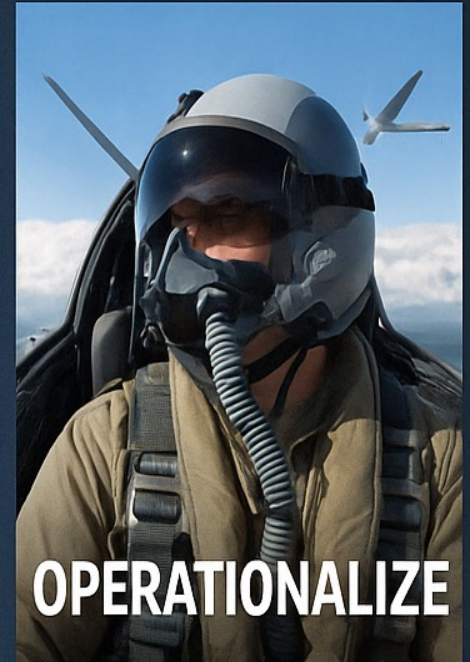

As operational forces: apply AI to missions

The Next Chapter is Ours to Write
